Come Sail Away with Us!

The New Castle Sailing Club is now accepting new members for the 2009 sailing season.

Classroom instruction for new members begins in February and continues through April. On-the-water instruction is offered throughout the sailing season.

No Boat Needed

The club owns a fleet of Thistle, Flying Scot, O'Day, and Hunter sailboats that are moored in the Delaware River off the New Castle Delaware waterfront. They are available to all members on a first-come first-serve basis.

For experienced sailors and interested novices alike, the club is by far the most fun, affordable, and convenient way to enjoy sailing in the Wilmington area. Avoid the waiting list, sign up now.
